2020 BWGC President's Message

As President of the BWGC for the next two year term, I begin this yearly message hoping you are healthy, staying safe, and in a good place. Who would have envisioned that when we parted last October after our fall banquet that our lives would be so changed? We all sailed unknowingly into our winter itineraries and never anticipated this pandemic and its wide repercussions to our world, our country, our economy, our personal lives. Yes, girls, we are living in unprecedented times, challenging times. Covid-19 has brought dramatic changes to our everyday lives, and no doubt, each of us has her own story as to how we have adapted to this new scenario. When we get together with appropriate social distancing, we can share our stories.

But as we begin our 2020 golf season, I am once again honored to be your president and will work hard to carry out the BWGC goals with fairness and kindness. Your executive board has been working hard behind the scenes, and we, also, have been working with the Pro Shop to get our season underway safely in these uncertain times. We are so fortunate that golf is a sport that can be played now, but we must follow the protocol of restrictions to keep it that way. I ask for your support and patience as we venture down this new road together. We are in Phase I of Restarting Maine's Economy, and we wait for Phase II to see how the golf world will be impacted. For now, this pandemic has certainly made managing our golf schedule a challenge, but we are ready to get out there and play golf. Ladies, we are officially starting our league play on Thursday, June 4th and full details will be forthcoming.

The BWGC welcomes all levels and abilities of golfers. We warmly encourage new members and guests to come and play with us. Thursday mornings continue to represent that special time when we put all else aside and just lose ourselves in that sport that connects us. I just have to add this to you all: the object of the club is to promote fellowship and sportsmanship among members and to encourage the active participation in golf tournaments conducted in accordance with the local rules of the USGA except as modified by local rules of the course.

We will face some challenges and changes as we move into our season, but we are in this together, and things will get better. Grab clubs, water bottle, sunscreen, bug dope, and head to the course. See Muni.

Tournament Guidelines

Establishing a Membership with Bangor Women's Golf Club

1. To join Bangor Women's Golf Club and participate in their weekly Thursday tournaments, there is a membership fee of \$45.00. If a person has GHIN (Golf Handicap Information Network) at another course, the fee is \$30.00. There is a form to print and complete on the Muni website: bangorgc.com or on the BWGC website: <http://www.liz44.com/bangorgolf/index.htm>. Please send this form and the check for the dues to the Treasurer or the form and check can be put into an envelope bearing the Treasurer's name and taken to the Pro Shop.
2. A new member must have a Handicap Index to play in tournaments. After playing 54 holes of golf, in any combination of eighteen (18) and nine (9) hole play, the member will establish a Handicap Index. The scores of the rounds must be entered into the GHIN System.
3. Members are eligible to participate in the Weekly Thursday Tournaments, Club Championship Tournament, President's Cup Tournament and the Ringer as part of their annual dues.

Standing Rules for Weekly Thursday Tournaments

1. There must be at least eight (8) players to constitute a tournament.
2. Thursday morning tournaments generally have 8:00 A.M. shotgun starts. However, at times the Pro Shop may decide that different tee times need to be used. If the tournament has a shotgun start, please be ready and near the first tee at 7:50 A.M. for an explanation of the game and any announcements.
3. Sign-up for the weekly tournament is mandatory and must be done by noon on the Tuesday prior to Tournament Day. The sign-up sheet is used by the Pro to determine pairings. You may sign up in one of the following ways:
 - Sign up on Thursday for the following week.
 - Friday through Tuesday noon, sign-up for Thursday's tournament in the Pro Shop
 - Call the Pro Shop at (207) 941-0232 before Tuesday noon to sign up for play that week.If you decide on Thursday that you can play and have not signed up, please call the Pro Shop to see if there is room for you. If you have signed up to play and need to cancel, please call the Pro Shop on or before Wednesday at 5:00 P.M. In the event of illness or an emergency, call as soon after 7:00 A.M. as possible on Thursday.

4. To be a participant in the Thursday tournament, there is a fee of \$5.00. This is used to pay for tournament prizes. Winnings for the tournament are for Pro Shop merchandise. Tournament results will be posted in the Bangor Daily News, on the BWGC website, and on the women's locker room bulletin board.

There is an optional penalty fee for three (3) putts. You may pay \$.25 for each 3 putt, but no more than \$1.00 a week. If participating, keep track of putts. At the end of the season, the amount in the 3-putt jar will be matched by treasury funds and donated to a local charity.

5. If a player is not a member of Muni, there is a greens fee if one is walking, and a greens and cart fee if one is riding. Members pay only the cart fee if they choose to ride.
6. There will be two scorecards for each golfing group: a master scorecard and a backup scorecard, each having the names of all players in a group. At the end of play, the master scorecard will be turned in to the Pro. The backup will be used for recording scores into the GHIN System and for recording any Chip-ins, Birdies and Ringer changes in the Ringer Binder, then it will be given to

the Handicapper. Before posting your score into the GHIN system, adjust the score for each hole according to Net Double Bogey (NDB), or post your gross score hole by hole. If posting hole-by-hole, GHIN will compute NDB.

NDB means the number of strokes that equal par, plus 2 strokes, plus the number of dots on your scorecard that you would get on this hole according to your handicap. When done with the backup scorecard, please give it to the handicapper.

7. Guests are welcome to play in the weekly tournament under the following conditions:
 - Play using an established handicap or
 - Play without a handicap but not be eligible for prizes.
 - A guest may play in BWGC weekly tournaments only two times in one season.
8. Playing hole #2.

If the ball lands in the pond or within the yellow penalty area during regular weekly tournaments, the player may use the drop area on the other side of the pond or continue to hit across the pond. The drop area is located below the left sand trap.

If the drop area is used, the tournament score will be the total number of strokes plus one penalty stroke. If the ball is hit over the water, the tournament score will be the actual number of strokes plus any penalty strokes. **The BWGC uses a maximum 10-stroke limit on this and on all holes.**

A player whose ball has come to rest in the yellow penalty area may play the ball as it lies without penalty. If the ball cannot be played or cannot be found, the player has two options for relief, both with a one-stroke penalty.

1. **Stroke and Distance Relief:** The player may play the original ball or another ball from a relief area based on where the previous stroke was made.
2. **Back-On-the-Line-Relief:** The player may drop the original ball or another ball in a relief area that is based on a reference line going straight back from the hole through the estimated point where the original ball last crossed the edge of the penalty area.

During special tournaments, the ball must be hit over the pond.

For posting purposes, all players should take no more than net double bogey as their gross score.

Tips for Playing “Ready Golf”

Ready Golf is a commonly used term, which indicates that players should play when they are ready to do so, rather than adhering strictly to “farthest from the hole plays first.” Golfers may disregard “playing in turn” and instead play when it is safe to do so.

Ready Golf is also thinking ahead so that you are ready to safely play when it is your turn. **Ready golf applies everywhere on the golf course – on the tees, on the fairways and on the greens.** Here are some simple tips to promote ready golf.

1. Agree on the first tee that your group will play “Ready Golf.”
2. Keep pace with the group in front of you.
3. The first player to arrive at the tee should go ahead and hit.
4. The first player to arrive at her ball should play her next shot, even though she may be ahead of some other player.
5. When a ball is lost, hit your shot first and then help look for the ball.
6. Mark your card at the next tee.
7. Put your club away at the next tee.

Ready Golf Mission: To provide a fun round of golf at a good pace.

After Tournament Recordings and Prizes

Ringer Binder, Birdies, Chip-ins

- After the first weekly tournament, the Ringer Binder Coordinator will have the Ringer Binder in the golf course restaurant. Record your score for the tournament hole-by-hole in pencil.
- After each weekly tournament adjust scores from higher to lower. For instance, if last week the score was 6 for a hole and this week it was 4 for that hole, change the 6 to a 4.
- In the Ringer Binder, record on the appropriate page(s) any birdies or chip-ins made during the tournament. Record the date and hole where the event occurred. Also record birdies on the Birdie Tree in the locker room.
- Chip-in awards will be presented monthly and at the Fall Meeting. Birdies and Ringer will be presented at the Fall Meeting. Ringer awards will be given to the top three (3) net winners according to current handicaps.

Chip-ins and Birdies may be recorded after participating in any tournament under the auspices of BWGC. Ringer cannot be changed after match play events and can only be changed after a stroke play tournament held on the eighteen-hole course at Muni. Revised 2018
