

Bangor Women's Golf Club
Monthly Meeting
July 28, 2016

Meeting was held at Hero's after the regular Thursday Tournament.

Before the meeting started Rob Jarvis came in to talk to us about the new drop zone and the reason behind the change. We were not in compliance with the USGA rule with the drop area being on the other side of the pond, so a drop area was created on the tee box side of the pond and to the right.

*This area will be used for WMSGA tournaments, our President's Cup and for the Club Championship. On any **Thursday**, the **original drop zone** on the other side of the pond **can be used, for scoring purposes, if you use the old drop zone, put an x in front of your score on the card.** Brian will be posting our scores and he will do the Equitable Stroke Control.*

You can not circumvent a USGA rule with a local rule.

Rob was asked about the second Port-A-Potty, he did not realize that nothing had been done about it.

Now we have to decide on the names.
