**August Treasurer's Report**

Beginning balance was 1,712.08. Receipts of \$139.17 included the 3-putt fund and bank interest.

Expenditures came to \$542.74. The money was spent on chip-in balls; prize money for Ringer Board, President's Cup, and Club Championship; office expenses; and other Awards.

The ending balance is \$1,308.51 of which \$98.00 belongs to the hole in one account.

**Wedding**

Jean Sweetzer suggested that BWGC give Rob Jarvis and his bride Jamie a gift of money. A motion was made and seconded that \$100 be given to the couple. The vote was unanimously in favor of the motion.

**Rally for the Cure**

Marilyn Hughes presented a certificate that came from the Rally for the Cure organization to show their appreciation for the \$1500.00 we raised.

There was a brief discussion about the possibility of doing a tournament next year but for a different organization. It was decided that this would be brought up again at our May meeting.

**Sponsors**

Kathy mentioned how much we appreciate our sponsors and the people who enlisted them. Next year there will be a \$20 fee for new sponsor signs

placed on the tee boxes during tournaments on our meeting days. This expense will come out of BWGC treasury funds.

### **Health Updates**

Sharon Dauphinee has had surgery in Bangor. She is walking some and has been to the driving range. Her sister, Judy, wants to have a celebration when Sharon goes off the first tee next year.

Charlene Wisemen is doing very well. We are looking forward to seeing her next year.

### **Tournament for 2012**

An invitational tournament is being planned. The executive committee will decide a date for this tournament. Notices will have to be sent in May to the clubs we want to invite. The price for the tournament will include the luncheon fee. People from other clubs will have to sign up early because there will be a cut-off number of participants from other clubs.

### **WSMGA**

Jean Sweetser presented information about WSMGA. All of the minutes and other information regarding WSMGA can be found on their web site.

One proposal from the WSMGA executive committee deals with drawouts in tournaments. People will receive credit every time they participate in a tournament. People who play the most will have less chance of having a drawout.

The person who had the low net in the whole state of Maine this year was our own Vi Kemp. The most improved state player, with her handicap decreasing from 20 to 14, is our own Yukiko Bigney.

Jean has decided she would like somebody else to be the Bangor Women's Golf Club representative to the WSMGA. Vi Kemp volunteered to do this.

Jean will be happy to help organize WSMGA State Day at Bangor Municipal Golf Course again next year.

Kathy thanked Jean for the excellent job she has done as our WSMGA representative.

### **Awards**

People who made chip-ins during August and September were awarded their golf balls. Judy Richard received a sleeve of balls as she made three chip-ins.

### **Tee Box Tee Disposal Containers**

Dianne Herring has talked with Brian Enman, who said there are already tee disposal boxes on the men's tee boxes. He would see if people of the maintenance crew would make disposal boxes for the women's tee boxes during the winter months.

### **Three-putt Monies**

Three-putt monies amounted to \$153.00. The executive committee decided that monies from our treasury will be given to bring this amount to \$200. That amount will be matched with monies from our treasury. The \$400.00 will be given to Spruce Run.

### **Monetary Appreciation**

A motion was made and seconded that in appreciation for their work on our tournaments and other play involving members of the BWGC, Brian Enman will receive \$200.00. Rob Jarvis and Cheryl Larner will each receive \$50.00. The vote was unanimously in favor of the motion.
